New Grower Web Portal

A Phase 2 enhancement of the SunRice Corporate website

Goes live mid-August to provide a user-friendly portal for all the information required to grow rice for SunRice

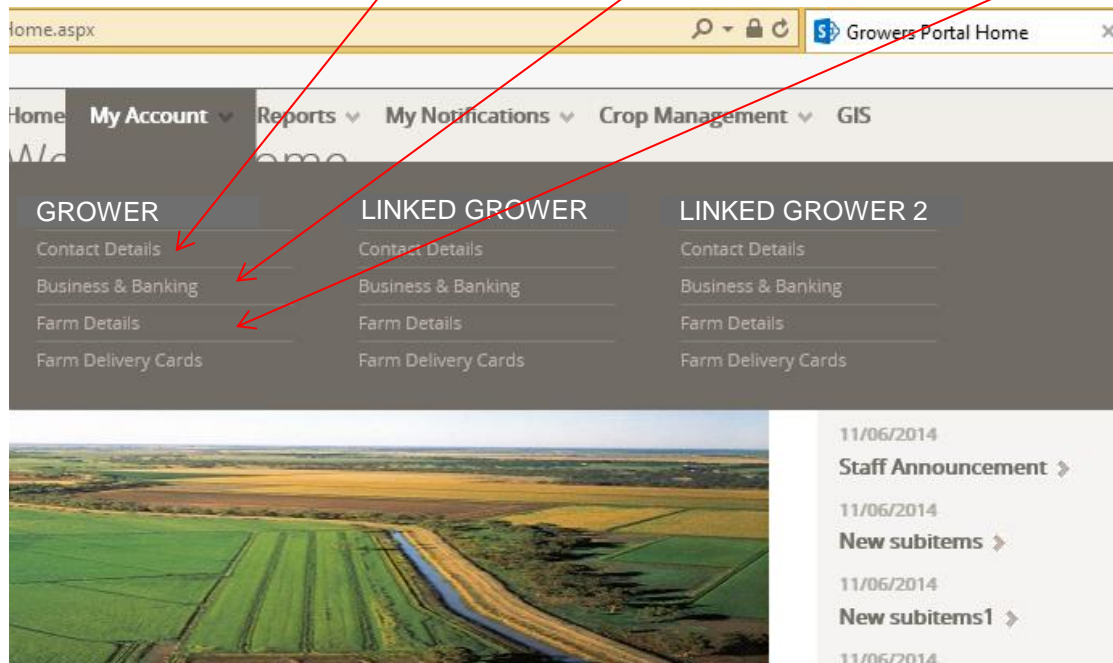

- Execute most of your transactions with SunRice
- Provide production and payment information
- Provide technical and R & D information
- Access to the SunRice GIS

Will enhance the service already provided by Grower Services team

New Grower Web Portal

Examples of transactions with SunRice:

- View and amend contact details
- View and advise changes to banking instructions
- View and advise changes to farm details eg share-farming arrangements

New Grower Web Portal

Examples of transactions with SunRice:

- View and advise changes to banking instructions
- Changes will be auto-filled to form to be signed and sent to SunRice

The screenshot displays the SunRice Grower Web Portal interface. The browser address bar shows the URL: <https://growerswebtst.sunrice.com.au/sitepages/BusinessAndBanking.aspx>. The page title is "My Account" and the sub-section is "Business and Banking".

The sidebar on the left contains the following menu items:

- NAME
- Contact Information
- Business & Banking**
- Farm Details
- Farm Delivery Cards

The main content area features a red oval highlighting the following text:

To update Business or Banking details, click the 'Edit Details' button to update the relevant details. A form showing your new details will appear for you to print, sign and return to Grower Services.

The "Edit Details" button is located to the right of this text. Below the instruction, the page is divided into sections for data entry:

- Grower Number:** Includes a dropdown menu labeled "NUMBER".
- Business Registration:** Fields for ABN Entity Name (NAME), ABN (NUMBER), GST Registered (Yes), and GST Type (Cash).
- Trading Name:** Includes a dropdown menu labeled "NAME".
- Banking Details:** Fields for Bank Account Name (ACCOUNT NAME), BSB No. (BSB), Account No. (NUMBER), and Outgoing Payment Method (METHOD).

The footer contains three columns of information:

- Site Usage Terms:** Links for Terms & Conditions, Security, Privacy, and Cookies.
- Contact Grower Services:** Address (Locked Bag2, Leeton NSW 2705, Australia) and phone numbers (1800 654 557, Fax: +61 2 6953 7208, Phone: +61 2 6953 0436).
- Email Us:** Email address (growerservices@sunrice.com.au) and an "Email Form" button.

The footer also includes the text: "Ricegrowers Limited trading as SunRice".

New Grower Web Portal

Examples of transactions with SunRice:

- View, print or export receival details

The screenshot shows a web browser window with the URL <https://growerswebstst.sunrice.com.au/sitepages/FarmDetails.aspx>. The page features the SunRice Group logo and a navigation menu with options: Home, My Account, Reports, My Notifications, Crop Management, and GIS. The 'Reports' dropdown menu is open, showing three main categories: 'Receival Reports', 'Payment Reports', and 'Harvest Reports'. Under 'Receival Reports', the following options are listed: Summary Receivals, Detailed Receivals, and Archived Receivals. A red arrow points from the bullet point in the text above to the 'Receival Reports' dropdown menu. Below the navigation menu, there is a sidebar with a search box labeled 'NAME' and a list of menu items: Contact Information, Business & Banking, Farm Details (highlighted in yellow), and Farm Delivery Cards. The main content area contains a form with the following fields: Grower No:* (NUMBER), Crop Year:* (2014), and Farm No:* (FARM NUMBER). An 'Edit Details' button is located below these fields. Below the form, there is a 'Details' section with the following information: Farm No: NUMBER, SAP No: SAP NO, Farm Reference: FARM REF, and Property Name: NAME.

New Grower Web Portal

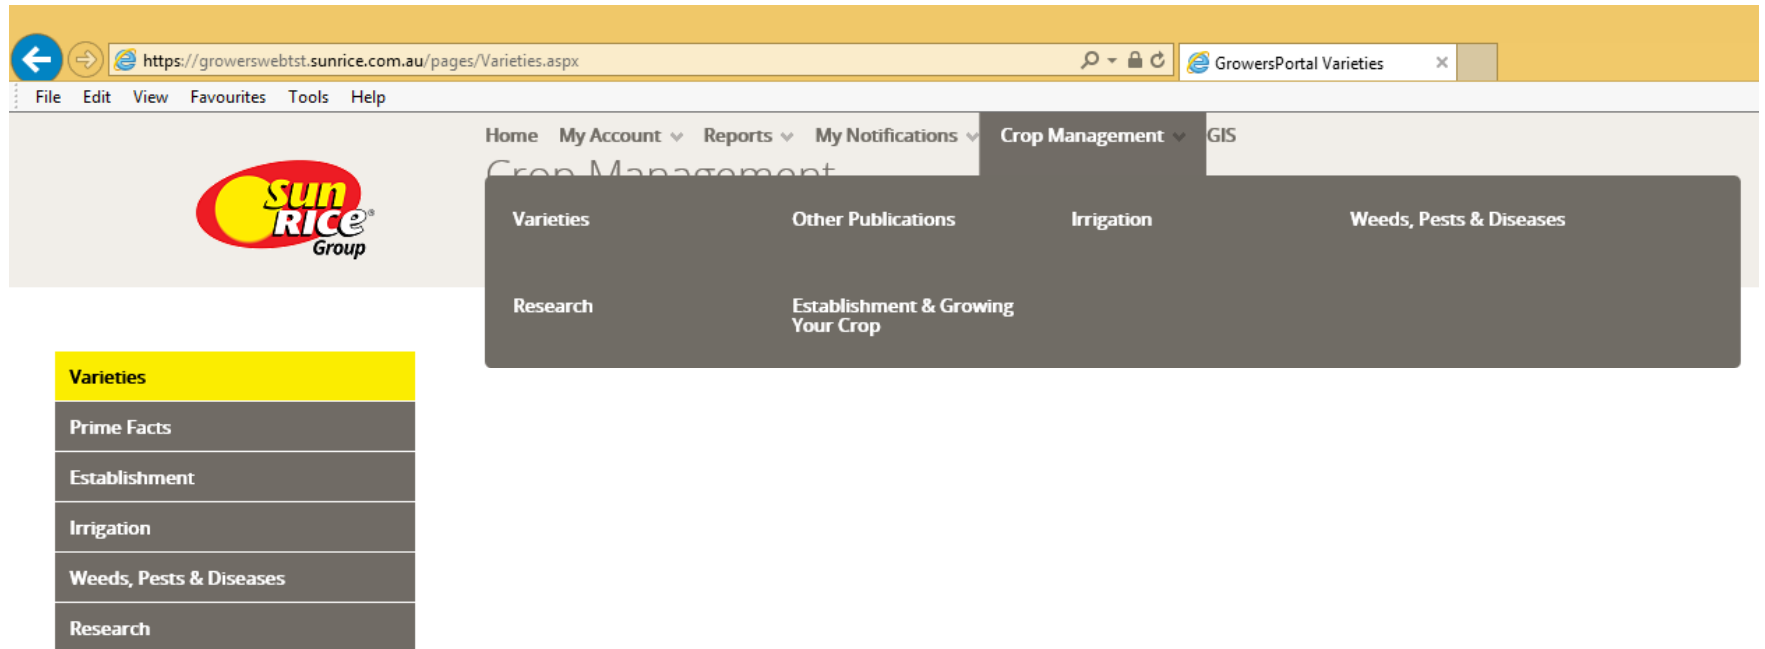

Examples of transactions with SunRice:

- View, print or export receival details
- Select details and run report or export to selected format

The screenshot displays the SunRice Grower Web Portal interface. The browser address bar shows the URL: <https://growerswebst.sunrice.com.au/sitepages/DetailedReceivals.aspx>. The page title is "Receive Reports". The navigation menu includes: Home, My Account, Reports, My Notifications, Crop Management, GIS, and LogOut. The sidebar on the left lists report categories: Receive Reports (Summary Receivals, Detailed Receivals, Archived Receivals), Payment Reports (Payment Schedule, Payment History, Payment Enquiry, Outstanding Deductions), and Harvest Status. The main content area is titled "Detailed Receival Report" and contains the following fields: Grower No.* (NAME), Crop Year.* (2014), Farm No.* (NUMBER), Variety: (Select), and Depot Name: (Select). A "Run Report" button is located below these fields. Below the "Run Report" button, there is a message: "No information available. Press 'Run Report' to search for records." At the bottom of the form, there is a section titled "Export my report to" which is circled in red. This section contains three buttons: Excel, PDF, and Print. A red arrow points from the text "or export to selected format" to the "Run Report" button, and another red arrow points from the text "View, print or export receival details" to the "Export my report to" section. The footer of the page includes "Site Usage Terms", "Contact Grower Services", and "Email Us" sections.

New Grower Web Portal

All the rice management information you require in a single location

Farm advisors/researchers will be able to access the crop management pages only via request for password

New Grower Web Portal

Summary

- The new portal will go live around mid-August
- It will provide a one stop shop for:
 - Most of your transactions with SunRice
 - Accessing receival and payment information
 - Technical and R & D information to grow the best possible crop
 - Accessing the SunRice GIS system
- A user guide will be issued when the system goes live
 - Support always available from the Grower Services team on 1800 645 557
 - New passwords will be issued to all growers
 - New system has password reset facility
- Please use the system – it will add value to your farming business
